INCIDENTALS

Money Codes and Lumper Policies:

To be eligible for a money code, the correct driver must be assigned to the load and the assigned driver must have location services enabled during the entirety of the load.

All receipts must be submitted within 24 hours of shipment completion or cancellation. If a valid receipt is not supplied within 24 hours of shipment completion or cancellation, Convoy will deduct the money code amount from the carrier's load earnings or will not reimburse expenses paid for by the carrier.

Eligibility For Shipment Delay, Redelivery, or Cancellation Incidentals

To be eligible for incidentals related to the delay or cancellation of a shipment, the driver must:

1. Beginning at least 3.5 hours before the scheduled pickup appointment end time and continuing through delivery of the load, be using the Convoy mobile app with location services enabled and the correct driver assigned;
2. (a) For delays, redeliveries, and cancellations after arrival, be checked in and/or performing transportation services on the shipment before appointment time cutoff; or (b) For pre-arrival cancellations, be tracking to an on time arrival;
3. Have the required equipment, and a clean, odorless, and serviceable trailer;
4. For reefer loads, pre-cool before appointment time; and
5. If required by the shipper, submit all necessary detention and accessorial documentation

Detention Policy

Trailer moves do not qualify for hassle-free detention.

Convoy's hassle-free detention policy starts 2 hours after the later of (a) the scheduled appointment time; and (b) the driver's actual arrival time. The detention rate is \$40 per hour, and the most you will be paid for detention per stop is \$200 (equivalent to 5 hours). Convoy calculates detention time using GPS data from the Convoy mobile app, and may validate such detention time calculation using BOL data.

To be eligible for a hassle-free detention payment, the driver must:

1. Beginning at least 3.5 hours before the scheduled pickup appointment end time and continuing through delivery of the load, be using the Convoy mobile app with location services enabled and the correct driver assigned;
2. Arrive by the scheduled appointment time;
3. Request the payment of detention via the Convoy mobile app or Carrier Web.*

*If the driver's request for detention payment via the Convoy mobile app or Carrier Web is rejected or presents an error, the request must be submitted at www.convoy.com/detentionrequest. For such a request to be valid, detention eligibility requirements (1) and (2) directly above plus all of the following conditions must be satisfied:

1. The initial request for payment of detention was made via the Convoy mobile app or Carrier Web;

2. The request for payment of detention via www.convoy.com/detentionrequest is made within 24 hours from the date and time the applicable shipment is completed or canceled;
3. No later than 24 hours after the date and time the applicable shipment is completed or canceled, the driver uploads a legible, commercially reasonable BOL via the Convoy app or Carrier Web that includes (a) in/out timestamps from the applicable facility; and (b) a signature from an authorized facility employee; and
4. Driver arrives on time, or if driver's late arrival was caused by Convoy or the applicable Shipper.

Layover, Redelivery, and TONU Policies

If the eligibility requirements listed above are met, additional incidental policies are as follows:

1. Incidentals must be requested to Convoy within 24 hours after the shipment is complete or canceled along with any verification needed;
2. The delay or cancellation must not be caused by the carrier;
3. Delays or cancellations must be confirmed by Convoy;
4. Layovers: \$150 (dry van) or \$250 (running reefers). Eligible after the initial 24 hour delay (paid via max detention) and for each 24 hour delay thereafter;
5. Redelivery: requirements from the customer must be met in order to receive payment (seals intact, paperwork submitted, etc.); and
6. TONU: \$150 (dry van), \$250 (running reefers), or the original cost of the shipment if it is less than the TONU rate. Eligible if the shipment is canceled within four (4) hours of the original pickup appointment and the assigned driver arrives on-time or has an on-time ETA.

Convoy does not compensate for fuel advances.

Convoy reserves the right to issue an accessorial payment only if the charge can be collected from the shipper. The above policies are subject to change.
