## Attention

If you require immediate assistance, please call our 24/7 number: 844-822-UBER

### Dispatch phone calls

If the Carrier's designated driver is not using the Uber Freight App, they must call Uber Freight at least 3 hours before the pick-up time specified in the rate confirmation. 24 hour Uber Freight phone line: 844-822-UBER

### Detention

Submit requests for detention payment in the Uber Freight App or at [t.uber.com/detention](https://t.uber.com/detention). To qualify for detention, arrive on time to the scheduled appointment and submit your request within 24 hours of delivery, along with the signed BOL showing in and out times. If the carrier's designated driver is not using the Uber Freight App, they must call 844-822-UBER at least 30 minutes prior to entering detention or the request may be denied. Detention starts 2 hours after the scheduled appointment and maxes out at 5 hours

### Accessorial policy

All accessorial requests and receipts must be submitted within 24 hours of delivery and supported by a signed BOL with in and out times to ensure reimbursement. Learn more about accessorial policies by going to <https://www.uberfreight.com/support/carrier-account-and-payment-guide>.

### Cancellations

If a load is cancelled by your carrier, you will be able to rebook the load as long as it's still available. You'll be paid using the same rate as the first booking and will not be allowed to place a bid. If a load is cancelled less than 6 hours from the scheduled pickup, it will be considered a late cancellation and will negatively impact your carrier's reliability score.

### Reefer Requirements (for reefer shipments only)

Carrier's reefer unit must have downloadable readings for supply and return temperatures. Trailers must be pre-cooled to designated temperature prior to pickup and maintained within designated temperature range. Trailer refrigeration must be set to cycle type stated above. Carrier's driver must check set point temperature on BOL. Carrier must immediately notify Uber Freight if there is a discrepancy between the set point temperatures on BOL and this rate confirmation.

### Food & Beverage Requirements (for food & beverage shipments only)

Food grade trailer required. Improper trailer temperature control, unsatisfactory equipment or tampered or unauthorized broken seals shall result in carrier's liability for (at shipper's sole discretion) full or partial loss of or damage to cargo without salvage or inspection.

## Agreement

By performing the transportation services set forth in this rate confirmation, carrier agrees to perform such services pursuant and subject to the terms in this rate confirmation and the broker-motor carrier agreement entered into between carrier and Uber Freight LLC.
