Broker: Uber Freight LLC

Reefer Requirements (for reefer shipments only)

Carrier's reefer unit must have downloadable readings for supply and return temperatures. Trailers must be pre-cooled to designated temperature prior to pickup and maintained within designated temperature range. Trailer refrigeration must be set to cycle type stated above. Carrier's driver must check set point temperature on BOL. Carrier must immediately notify Uber Freight if there is a discrepancy between the set point temperatures on BOL and this rate confirmation.

Food & Beverage Requirements (for food & beverage shipments only)

Food grade trailer required. Improper trailer temperature control, unsatisfactory equipment or tampered or unauthorized broken seals shall result in carrier's liability for (at shipper's sole discretion) full or partial loss of or damage to cargo without salvage or inspection.

Agreement

By picking up the shipment set forth in this rate confirmation, carrier agrees to perform such services pursuant and subject to the terms in this rate confirmation and the broker - motor carrier agreement entered into between carrier and Uber Freight. Uber Freight and carrier have agreed that the compensation indicated herein will apply to the shipment listed on this Rate Confirmation and that it will supersede any prior rate confirmation or agreement and that any rates, terms or conditions of any bill of lading, Conditions of Carriage, Carta de Porte, delivery receipt, Rules Circular, tariff or other document are hereby expressly altered or waived. Unless noted otherwise, all sums are stated and will be paid in USD. The Uber Freight broker - motor carrier agreement is available at t.uber.com/bmca

If you require immediate assistance, please call our 24/7 number: 844-822-UBER

Dispatch phone calls

If the Carrier's designated driver is not using the Uber Freight App, they must call Uber Freight at least 3 hours before the pick-up time specified in the rate confirmation. 24 hour Uber Freight phone line: 844-822-UBER

Detention

Submit requests for detention payment in the Uber Freight App or at t.uber.com/detention. To qualify for detention, arrive on time to the scheduled appointment and submit your request within 24 hours of delivery, along with the signed BOL showing in and out times. If the carrier's designated driver is not using the Uber Freight App, they must call 844-822-UBER at least 30 minutes prior to entering detention or the request may be denied. Detention starts 2 hours after the scheduled appointment and maxes out at 5 hours

Accessorial policy

All accessorial requests and receipts must be submitted within 24 hours of delivery and supported by a signed BOL with in and out times to ensure reimbursement. Learn more about accessorial policies by going to <https://www.uberfreight.com/support/carrier-account-and-payment-guide>.

Powerloop Empty Trailer Dropoff Location

If a Carrier needs to change the empty trailer drop-off location, due to an upcoming Uber Freight load that requires an empty trailer dropped off, they may make a request by sending an email to powerloop-trailerswaps@uberfreight.com.

Powerloop Empty Trailer Dropoff Time

After completing a Powerloop load, the carrier can utilize the Powerloop trailer to haul their own backhaul, another Uber Freight load, or return the trailer empty. Carriers can request time extensions (up to 3 days) with our trailers for a fee of \$ 50 a day by emailing powerloop-trailerswaps@uberfreight.com.

Powerloop Trailer Damage

Carrier is required to perform a pre-trip inspection of the condition of the trailer that will note all damage and the condition of safety related items including, but not limited to, tires, lugnuts, brakes, air systems, and sliding tandem hook pins that are observable upon reasonable inspection. If standard maintenance is needed for the Powerloop trailer (ex. missing mudflap, broken lights, electrical issues, tire replacement) please contact FLY Fleet 24/7 roadside assistance at 866-498-9525. This service is not available for the Carrier's power unit. If there is an accident or critical damage to the Powerloop trailer, do not contact the FLY Fleet 24/7 hotline. Please notify your auto liability insurance company and follow their instructions. Please also notify the Uber Freight Inbound Support Line at 844-822-8237. Unless stated otherwise, Powerloop will arrange and coordinate all trailer maintenance and the Carrier is not permitted to perform repairs to the Powerloop trailer. If Carrier performs repairs on the Powerloop trailer, reimbursement is not guaranteed.

Cancellations

If a load is cancelled by your carrier, you will be able to rebook the load as long as it's still available. You'll be paid using the same rate as the first booking and will not be allowed to place a bid. If a load is cancelled less than 6 hours from the scheduled pickup, it will be considered a late cancellation and will negatively impact your carrier's reliability score.

Accounts Payable

Please submit the signed Proof of Delivery via the Uber Freight app. If unable to submit in app, please email it to freight-bol@uber.com. A complete, legible, signed and otherwise acceptable copy of the bill of lading (the POD) is required for payment. Please submit the POD within 24 hours after delivery.

Powerloop Trailer Late Fee Rates

If Carrier does not return the Trailer as instructed in the Rate Confirmation, use charges may apply according to the Trailer Use Agreement. Request changes to the Dropoff Time or Location by emailing powerloop-trailerswaps@uberfreight.com. If you encounter an unforeseen issue preventing timely return, please contact our support line at 844-822-8237.

Powerloop Trailer Policy

By picking up the Trailer set forth in this Rate Confirmation, Carrier agrees to use the Trailer pursuant and subject to the terms in this Rate Confirmation and the Trailer Use Agreement entered into between Carrier and Powerloop.
